## Cloud Commerce Solutions for the Auto Dealership Industry

### Use the Right Tools for Your Business

In today's recent environment of auto sales you have to be highly focused, creative and determined to survive. There is little time to be spent on mundane office work, when you are scouting for new prospects, designing new marketing ads and developing plans for creative financing. Cloud Commerce offers several products which will assist in the organization of those critical documents necessary to complete the sale. With one of the top office suites available, you will be able manage your marketing campaigns, track prospects, work leads and record and oversee each and every sale to completion. Own multiple dealerships, not a problem, with BizAutomation you can manage unlimited business locations within one centralized application. With just a broadband internet connection and web browser you will have access to all of your information from any location 24x7.

### Cloud Commerce solutions work anywhere

Effective and efficient communication is crucial in promoting the appearance of availability and responsiveness not only to you prospective clients but to your recurring business as well. When managing a full service dealership, you not only oversee the sales department but many times must operate the auto maintenance department. With the technology offered through Cloud Commerce, your smartphone will become a wireless extension of the Exchange's message center, providing immediate access to your email, contacts and calendar. You can now feel confident when arranging appointments for test drives, route maintenance or major auto repairs that you have the most up-to-date information available. Cloud Commerce offers a full suite of business solutions that free you from the worries of managing your technology infrastructure and lets you focus on the customer. But most importantly, we will reduce your technology costs significantly. Our portfolio of On-Demand solutions offer Voice, E-Mail, Sales Force Automation, Document Management, Accounting, Billing - everything your dealership needs to be successful.

### Save 30-50% on your IT Costs

Learn about the revolution that is reshaping the way companies use technology. On-Demand IT can save companies 30%-50% on annual IT costs.

# What You Need, When You Need It

## Here are just a few of the solutions we offer

### Document Management

Cloud Commerce offers several products which will assist in the monumental task of document management and centralization.

### Messaging

Microsoft Exchange, an enterprise class e-mail, is now available to everyone at a very affordable price. With each subscription you will receive the award winning Anti-Virus/Anti-Spam filtering from Postini, daily data back-up of each e-mail box and the latest version of Microsoft Outlook.

### Mobile Access

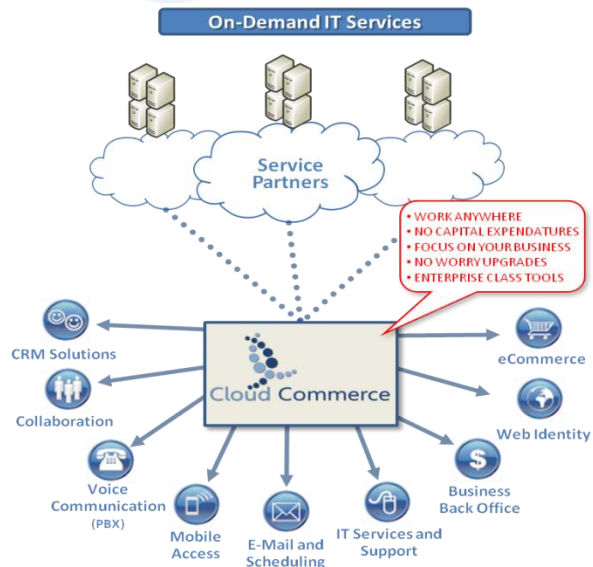

The access of Microsoft Exchange through the BlackBerry , iPhone or Windows Mobile phone has been found to increase business performance by enabling salesmen the capability to make timely decisions by having access to the most recent deals available.

### Business Office Applications

We realize that small business owners are sometimes stretched very thin. This is where Cloud Commerce would like to help, by offering BizAutomation, one of the top Business Office Suites available. It provides solutions in such areas as Accounting , Customer Relationship Management , Reporting , Project Management , Payroll , Human Resources, Sales Force Automation, Marketing and much more.

**Cloud Commerce** brings your business a new approach to Business Information Technology. On-Demand or Cloud Computing technology presents many new opportunities for your business.
