Cloud Commerce Solutions for the Real Estate Industry

Use the Right Tools for Your Business

In today's recent market you have to be focused and efficient to survive in the highly competitive field of real estate. There is little time to spend on mundane office work, when you are scouting for new prospects, on the road showing homes, listing new properties or closing contracts. Cloud Commerce offers several products which will assist in the organization of those critical documents necessary to complete that sale. With one of the top office suites available, you will be able manage your marketing campaigns, track prospects, work leads and record and oversee each sale to completion. No longer do you need to incur the expense of printing and mailing marketing literature, all can be delivered with just the touch of a button. As an often-mobile professional, being immediately accessible by your real estate office or potential client is crucial. Our Hosted PBX solution provided by SimpleSignal, allows realtors to make and receive calls from any location, at any time, on any device.

Cloud Commerce solutions work anywhere

Effective and efficient communication is crucial in promoting the appearance of availability and responsiveness to that prospective client. With the technology offered through Cloud Commerce, your smartphone will become a wireless extension of the Exchange's message center, providing immediate access to your email, contacts and calendar. You will always be able to feel confident when arranging appointments for home showings that you have the most up-to-date information available. Cloud Commerce offers a full suite of business solutions that free you from the worries of managing your technology infrastructure and lets you focus on the customer. But most importantly, we will reduce your technology costs significantly. Our portfolio of On-Demand solutions offer Voice, E-Mail, Document Management, Marketing, Project Management, Accounting, Sales Force Automation everything your business needs to be successful.

What You Need, When You Need It

Here are just a few of the solutions we offer

Document Management

Cloud Commerce offers several products which will assist in the monumental task of document management and centralization.

Messaging

Microsoft Exchange, an enterprise class e-mail, is now available to everyone at a very affordable price. With each subscription you will receive the award winning Anti-Virus/Anti-Spam filtering from Postini, daily data back-up of each e-mail box and the latest version of Microsoft Outlook.

Mobile Access

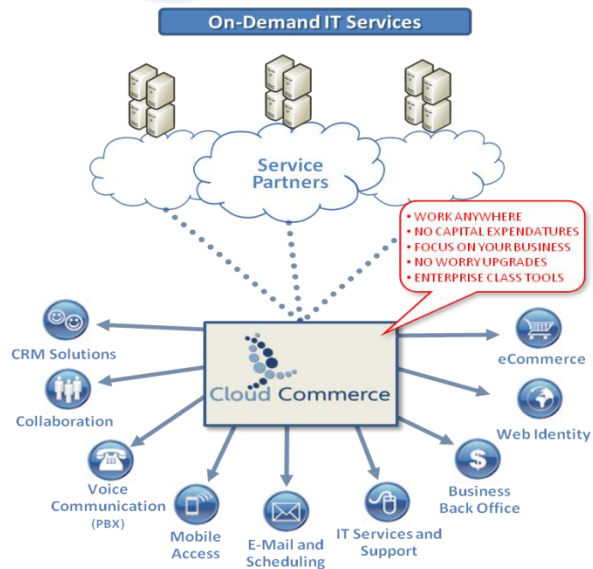

The access of Microsoft Exchange through the BlackBerry, iPhone or Windows Mobile phone has been found to increase business performance by enabling realtors the capability to make timely decisions by having access to the most recent listings available.

Business Office Applications

We realize that small business owners are sometimes stretched very thin. This is where Cloud Commerce would like to help, by offering BizAutomation, one of the top Business Office Suites available. It provides solutions in such areas as Accounting, Customer Relationship Management, Reporting, Project Management, Payroll, Human Resources, Sales Force Automation, Marketing and much more.

Cloud Commerce brings your business a new approach to Business Information Technology. On-Demand or Cloud Computing technology presents many new opportunities for your business. We understand the marketplace, technology and the players. Our job is to help you leverage these opportunities. We make sense of the confusion and help you navigate the choices and choose what is right for your business.
